

Wayne-Finger Lakes Area Teacher Center Fall 2024 Workshops

Teacher Center Workshop Registrations

are done online using the embedded link above or by using the link located within each workshop description.

These more in-depth descriptions may be found on the TRC Calendar page at www.trc.org

Once you submit your registration, you will receive an email confirmation notice for each workshop for which you have registered. If you do not receive a confirmation email within 3 days, please email mary.beall@edutech.org.

All of the TRC's workshops are FREE & NYSED approved for CTLE hours!

The Teacher Center is trying something new for our fall workshops!!

Some of our workshops are being offered at district & local college sites. Be sure to check out the Location Column to see where & when the workshop will be held. If you live closer to that location, please register for the workshop. Your workshop confirmation will have the location address & instructions on where to report for the workshop session.

The Teacher Center is willing to schedule some workshops at your district site based on school need and facilitator availability for groups of teachers in a specific topic area.

All materials will be provided and are free to participating districts.

Contact Mary Beall at the Teacher Center to schedule these workshops:
